MARIYAM RILA M M

Aspiring CS Engineer

9446059977 mariyamrilamm@gmail.com Mangalore, India

ABOUT ME

Computer Science Engineering student with a strong interest in software development, problem-solving, and emerging technologies. Proficient in C, Java, and Python, with hands-on experience in projects involving DBMS, IoT, and automation. A confident communicator and public speaker with experience hosting college events and actively participating in technical and extracurricular activities. Curious, adaptable, and eager to apply technical knowledge to real-world challenges while continuously developing industry-ready skills.

EDUCATION

Bachelor of Engineering-Computer Science and Engineering

P A College of Engineering | 2024-2028

CGPA-9.0/10

SKILLS

- Java
- C
- Python
- SQL
- HTML/CSS
- DSA
- Leadership
- Public speaking
- Communication
- Team Collaboration
- Problem Solving
- Adaptability
- VS Code
- Git and Github
- Arduino IDE
- Canva
- Notion
- Microsoft Excel

PROJECTS

Home Automation System

Role-Member

Built an IoT-based home automation system to control appliances using an ESP32 and voice control interfaces.

Technologies: ESP32, IoT, Sinric Pro, sensors, relay modules.

Travel & Tour Booking Management System

Role-Leader

Developed a DBMS-based platform for managing travel packages, destinations, hotels, bookings, payments, reviews, coupons, and itineraries.

Technologies: PostgreSQL, SQL, DBMS, Node.js, React, Postman.

Syncura – Health Monitoring Concept

Role-Member

Developed a project concept aimed at monitoring patients experiencing heartbeat fluctuations and providing timely alerts

Focus: IoT, monitoring systems, real-time alerts.

ACHIEVEMENTS

1st Prize in Oratocracy/Public Speaking | College Event Host | Hackathon Participant | Active EMBED Club Member | Academic Distinction | IoT & Embedded Systems Activities
